

An invitation

West Berkshire Neurological Alliance would like to invite you to 'Integrated Pathways of Care', a one-day conference at Arlington Arts Centre on Tuesday 3rd May 2016. Our seventh conference has been organised in collaboration with Dr Faraz Jeddi, Consultant physician in Neuro-rehabilitation Medicine at Royal Berkshire Hospital.

We will be exploring the latest positive developments in neuro-rehabilitation and pain management, looking at ways in which integrated thinking and working has improved patient experiences and outcomes.

The conference is suitable for professionals, patients and carers. It will be accredited for Continuing Professional Development (6CPD points)* We look forward to welcoming you on the day.

Irene Waters

Chairman,
West Berkshire Neurological Alliance

Primary care Self-care
Secondary care

*Accreditation applied for at time of going to press

West Berkshire Neurological Alliance

Registered charity number 1081021

West Berkshire Neurological Alliance represents all people in Berkshire West affected by a neurological condition.

Our seventh conference provides a platform for innovative professionals in the field of neuro care and rehabilitation, across primary, secondary, tertiary and social care, to share knowledge with others in the field, aiming to inspire better integration for improved patient experiences and outcomes.

We are most grateful for sponsorship and other support from:

Generate UK
Greenham Common Trust (Findmeagrant)
Pain Medicine Department,
Royal Berkshire Hospital
Rehabilitation Medicine Department,
